

K-LOVE Radio is the only station I listen to now. It is family oriented and non-commercial. It brings me positive and encouraging music and inspirational thoughts that I need daily. Please do not allow LPFM stations to replace my K-LOVE signal. K-LOVE serves thousands of homes in the Ogden/Salt Lake area and provides a nation-wide service that NO LOCAL station would financially be able to do. Thank you for considering my situation. Neil Klagge, Layton Utah.
